SKILLS

Design

Sketch
Invision
Photoshop
Illustrator
After Effects
Rhinoceros
Maya

Research

Prototyping
Wireframing
Storyboarding
Affinity Diagrams
Video Sketchig

Programming

HTML + CSS
Javascript
Python

Hands-on

Sketching
Model Making
3D Printing
Robotics
Laser Cuting

EDUCATION

SEP 2015 : **UNIVERSITY OF MICHIGAN** | ANN ARBOR, MI
APR 2017 : Master of Architecture

SEP 2010 : **ZHEJIANG UNIVERSITY** | HANGZHOU, CHINA
APR 2015 : Bachelor of Architecture

EXPERIENCE

JUN 2016 : **HDR, INC.** | LOS ANGELES, CA
PRESENT : Architecture designer

- Led design in several domestic and international projects on various phases in the Tech and Healthcare sector including the Aerospace Cooperation headquarter, the Los Angeles Water and Power facilities, the Cedars-Sinai Medical Center expansion.
- Precisely identified project scopes and hidden needs through hosting client meetings, which served as the basis of our designs.
- Effectively communicated and collaborated with internal and external consultants including structural and mechanical engineers to delivered a holistic design for optimized architectural performance.

AUG 2015 : **XIAO YOU TECH** | SHANGHAI, CHINA
PRESENT : Co-founder, COO

- Co-founded Xiao You Tech, an innovative content creation platform focusing on gaming industry, providing services in advertisement and data analysis.
